

"NATIVE LANDS" FIELD TRIP CHECKLIST

- Remind students to bring plenty of water to drink if the weather is hot. The park DOES NOT have water fountains.
- Ask each student teacher & chaperones to wear his/her sticker in a visible location. These stickers allow each person to enter the event without being stopped by our staff. Everyone must have an admission sticker to enter the event. Admission stickers are available for purchase at check-in for \$12.00. No exceptions!
- Make copies of the Program Schedule, Scavenger Trivia Quiz and Word Search to pass out to all teachers and chaperones. The schedule has all the show times and is very useful for organizing the day. You may pick up additional ones at check-in. The quiz and word search help to occupy students during free time.
- Make copies of the directions map for the bus driver and any parents that may be driving. The biggest cause of late arrivals is lost bus drivers and parents.
- Coordinate rain date with your bus company.
- Remind students to bring a bag lunch. You may also want to bring blankets to sit on.
- Remind students that they may want to bring extra money. We have a concession stand, trading post, and extra activities (including face painting, animal feed and games) that require an additional fee.
- Remind students to dress appropriately for the weather. This is an outdoor event.
- Again, the park does NOT have water fountains. Remind students to bring plenty of water to drink if the weather is hot.
